

DECLARATION FOR ACTION

Saskatchewan Broadband Action Committee

2022

The purposes of this declaration are to provide and demonstrate individual, organizational, and shared responsibility to collectively address and improve broadband accessibility.

Through active participation, shared responsibility, and partnership, we hereby commit to leadership through greater collaboration, coordination of common effort, and partnerships in order to reach greater connectivity for all Saskatchewan residents, regardless of address.

COMMITTEE PRIORITIES

- Enhanced Awareness, Local Capacity, and Digital Competency
- Improved Regional and Indigenous Collaboration and Stakeholder Partnerships
- Elevated Community Access and Infrastructure Development
- Strengthened Industry Partnerships and Market Development

"Parity for every Saskatchewan citizen by 2025".
